

NEUROLOGY INDIA - NEUROSCIENCES EDUCATION VIDEOS

Consent for Publication of Photos, Videos, and Other Identifying Materials

I authorize publication in the journal “Neurology India” of photographs, video and / or sound recordings, or other materials that may identify my child or me. I understand that the Neurology India and the Neurological Society of India will own the copyright to these materials and may grant permission for use of these materials for teaching, research, scientific meetings, other professional journals, medical books, broadcasts, advertising, and other purposes. These materials may appear in print and online and public may have access to them.

The opportunity to view the materials and the manuscript containing them has been offered to me. I have either reviewed them or chosen not to review them.
